I was enriched by our diverse group and it gave me the opportunity to respect differences. This program also impacted me because of the atmosphere of spirituality—the spirituality of the victims, our own, and a fuller understanding of the beautiful Black spiritual songs.

-Sr. Migdalia Flores

I didn't realize how badly black soldiers were treated following their return from all the wars that they fought in for our freedom. The program was a consciousness-raising experience for me, in ways that I didn't imagine when I started the program.

-Andy Drance

Prayer times and the reading content were especially moving for me. The shared prayers of our individual written prayers reflecting on how we are being stirred and called in addition to the other prayers helped root and frame the conversations.
