

MY JOURNEY

AN ELDER WISDOM PROGRAM SERIES FOR THOSE 55+
SPONSORED BY THE CENTER FOR SPIRITUALITY AT WORK

THE GRANDPARENT'S LISTENING JOURNEY

with presenter and facilitator Vie Thorgren

As grandparents we play a special role in the identity development of our grandchildren. No one appreciates and listens to a child quite like us. This quality of presence makes ordinary moments sacred. This listening presence enables us to guide our grandchildren into appreciating their own giftedness and what it means to care for others. In the process we grow spiritually ourselves.

Dr. Vie Thorgren is the founder and Programs Director of the Center for Spirituality at Work. She travels internationally giving retreats and workshops, enjoying especially those that support grandparents. She embraces grandmothering as a sacred calling and a privileged opportunity to foster the soul life of each of her grandchildren from infancy to adulthood.
